

# Risk Disclosure & Disclaimer

## High-Risk Investment Warning

Trading foreign exchange (Forex) and other leveraged financial instruments carries a high level of risk and may not be suitable for all investors. Before engaging in trading, you should carefully evaluate your financial objectives, trading experience, and risk tolerance. You should only trade with funds you can afford to lose without impacting your financial well-being. There is a significant possibility of losing part or all of your initial investment, and you must fully understand the risks involved before proceeding. Rage Markets Ltd provides general information and educational content only, and nothing on this website should be interpreted as personalized financial advice or a recommendation tailored to your specific situation. If you are uncertain about any investment decision, we strongly encourage seeking guidance from an independent financial advisor.

## Market Opinions & Analysis

All market commentary, research, news, pricing data, or other information published on [ragemarkets.com](https://ragemarkets.com) is provided for general informational purposes only. While Rage Markets Ltd strives to ensure accuracy, we do not guarantee the completeness, timeliness, or reliability of the content. We accept no liability for any loss or damage, including but not limited to loss of profits, that may result from the use or reliance on such information.

## Online Trading & Technology Risks

Trading via internet-based platforms involves risks, including but not limited to hardware or software malfunctions, system failures, or communication disruptions. Rage Markets Ltd cannot control internet signal strength, connection stability, or the configuration of your equipment and network. We are not responsible for delays, interruptions, or failures in trade execution due to technical issues. In the event our trading platform is unavailable, we may offer alternative methods for placing or closing trades where possible.

## Accuracy of Website Content

All information provided on this website is subject to change without prior notice. Content is offered solely to help traders make their own independent investment decisions. While we make every effort to provide up-to-date and accurate information, Rage Markets Ltd cannot guarantee its accuracy or accept responsibility for any losses that may arise from its use, or from delays or errors in communication.

## Jurisdiction & Legal Use

The information and services on this website are not intended for distribution to, or use by, any person or entity in jurisdictions where such use would be contrary to local laws or regulations. It is your responsibility to ensure that you comply with any applicable legal or regulatory requirements before engaging in trading with Rage Markets Ltd.

## **Market Volatility & Execution**

Our online trading platform offers fast and efficient trade execution. However, this does not eliminate the inherent risks of Forex and CFD trading. Market volatility, liquidity conditions, and technical factors can impact pricing and execution speed. All trading terms, conditions, and policies are outlined in our **Customer Agreement**, available on our website.
